

STOP THE TREATIES

#NoMeansNo

Australia voted NO to an Indigenous Voice to Parliament!
But the politicians didn't listen!

Their agenda is now being pushed by state governments with new "voices" and "treaties" that Australians don't want and didn't ask for!

But No means No! We must take this fight to the WA state legislature and we need your help with 500 member registrations to make your voice heard at the next state election!

- ▶ Stop laws and amendments like the Aboriginal Cultural Heritage Act 2021 that held WA land owners hostage.
- ▶ Protect the rights of private property owners.
- ▶ Prevent a state-based Indigenous Voice Bureaucracy from wasting tax payer money.
- ▶ Say NO to Treaties that require Australians to "Pay the Rent!"
- ▶ Build a united Australia based on hard work and character!

Note: If consent is provided above, the member's details and a copy of this declaration will be provided to the Western Australian Electoral Commission.

A party requires a minimum of 500 members to qualify as an eligible political party that can register, and remain registered, with the Western Australian Electoral Commission. Each member must be enrolled on the Western Australian electoral roll and can check their enrolment details at www.elections.wa.gov.au/check. The member must also complete and sign this declaration confirming their membership of the party. Refer to section 62E of the Electoral Act 1907 for further information about applications to register a party.
